Just to confirm - this is EPA's sampling data they're asking for?
(i.e., not the data from DEP/Cabot we evaluated to decide to take an action).
Thanks!

Since this is hearing prep, they probably want tomorrow or Thursday at the latest.

Pamela - let me check. What's your timeline for getting back to them?
Thanks!

Thanks Jennie -

I just got a request from House Committee on Oversight and Government Reform, Subcommittee on Technology, Information Policy, Intergovernmental Relations and Procurement Reform staff. They want to know if we have a more user friendly version of the data summary. Something that just lists the contaminants above the safe thresholds. Thanks
